### WHAT IS A SPECIAL EVENT?

Any organized activity with more than 25 people using or impacting private commercial or public property, facilities, parks, sidewalks or roadways in a manner that varies from its standard land use. *Please note: all Town of Mount Pleasant (TOMP) ordinances (zoning, noise, signage, etc.) must be adhered to in any event; a permit does not constitute permission to violate any ordinance.*

---

### PERMIT PROCESS

The permit application process begins when you submit a completed Special Event Permit Application to the Town of Mount Pleasant. Please **determine the appropriate application** for your event type and **attach all requested documents via email**. Acceptance of your application should in no way be construed as final approval or confirmation of your request. Applications are only processed when payment is received.

During the application review process, you will be allowed time to provide us with all pending documents (e.g. certificate of insurance, secondary permits, etc.) These items must be received before a Special Event Permit will be issued. Delays in providing these items will hinder our ability to finish our review process and approve your application in a timely manner.

Staff in all appropriate TOMP departments will review the permit application. Should there be any specific questions or concerns about your event, TOMP staff will contact you. During the review process you will be notified if your event requires any additional information, permits, licenses, certificates or fees.

### EVENTS ON TOWN-OWNED PROPERTY

If you are requesting to host your event on property owned by the Town of Mount Pleasant, attach the [Town Property Event Addendum](#) to this permit application.
