## MEMORIAL WATERFRONT PARK SMALL GROUP EVENT PERMIT APPLICATION

A Small Group Event Permit is required for any organization or individual (Event Host) planning an activity at Memorial Waterfront Park (MWP) with an expected attendance of 25 to 249 people. *Please note: It is the Event Host's responsibility to read, understand and abide by the Town of Mount Pleasant Memorial Waterfront Park Special Event Rules & Regulations. All TOMP ordinances must be adhered to in the production of any event.* The Town of Mount Pleasant does not allow the use of any Town property for the purpose of profit (unless for charitable donations.) Memorial Waterfront Park is a public community park. Special events may at no time restrict the general public from using the park's amenities unless expressly approved herein.

### EVENT PRIORITY

Town of Mount Pleasant events have priority in use of any Town property. Events renting a facility from the Charleston Area Convention & Visitor's Bureau take precedence (permit typically not required with facility rental unless event will impact areas outside of the contracted rental). Special Event Permit applications are processed in order of receipt in accordance with considerations the Town Administrator or his/her designee use in deciding on the issuance of a permit.

---

### PERMIT PROCESS

The MWP permit application process begins when the Event Host calls the Special Events Manager (SEM) to check date availability. A temporary hold will be placed on the applicant's requested date if there are no conflicts. The applicant must submit a completed Permit Application to TOMP in a timely manner or the date hold will be released. Acceptance of an application should in no way be construed as final approval or confirmation of an event permit.

Please submit the **appropriate application** for your event type along with **all requested documents and fees**. During the application review process, you will be allowed time to provide us with all pending documents (e.g. certificate of insurance, secondary permits, etc.) These items must be received before a Special Event Permit will be issued. Delays in providing these items will hinder our ability to finish our review process and approve your application in a timely manner.

SEM reviews permits and facilitates processing through all appropriate TOMP departments. Should there be any specific questions or concerns about your event, TOMP staff will contact you. During the review process, you will be notified if your event requires any additional information, permits, licenses, certificates or fees.

---

### APPLICATION DEADLINES and FEES

Small Group Event Permit applications are due a minimum of 30 days in advance of event day. Application processing time depends on the complexity of each event as well as the thoroughness of the application. Fees are per day and are non-refundable.

**Between 25 and 249 attendees: \$200**

---

### COMPENSATION FOR TOWN STAFFING

Depending on the size and type of event, TOMP may require personnel including Police and/or Fire and/or Public Services to work the event. All Town personnel involved during the day(s) of the event will be charged back to the organizing agency. The Town shall determine the number necessary to ensure the safety of participants, minimize the inconvenience to our residents and reduce the public liability exposure to the organizing agency, as well as the Town. The bill will be transmitted to the organizing agency within sixty (60) working days after the completion of the event, except in the case of off-duty Police Officers who are to be paid immediately upon conclusion of the event.

### NON-DISCRIMINATION STATEMENT

The Town of Mount Pleasant does not discriminate on the basis of race, color, national origin, sex, religion, disability status or age in provision of services.
