

COMMERCIAL FILMING & PHOTOGRAPHY PERMIT APPLICATION

A Commercial Filming & Photography Permit is required for any organization or individual planning to take photos or record film for commercial purposes in the Town of Mount Pleasant. *Please note: It is the applicant's responsibility to read, understand and abide by the Town of Mount Pleasant's Film Policy Rules & Regulations. All TOMP ordinances must be adhered to in all film/photography productions.*

PERMIT PROCESS

The permit application process begins when you submit a completed Commercial Film & Photography Permit Application to the Town of Mount Pleasant. Please **review the Town of Mount Pleasant Film Policy Rules & Regulations** and **attach all required documents**. Acceptance of your application should in no way be construed as final approval or confirmation of your request.

During the application review process, you will be allowed time to provide pending documents (e.g. notification letters, consent signatures, certificate of insurance, secondary permits, etc.)

Staff in all appropriate departments will review the application and will contact you should there be any specific questions or concerns. You will be notified if your activity requires any additional information, permits, licenses, certificates or fees.

APPLICATION DEADLINE & FEES

Commercial Media Filming & Photography Permit applications are due 15 days prior to scheduled filming/photographing date(s). In some cases TOMP may be able to process applications with shorter notice; processing time depends on the complexity of the shoot as well as the thoroughness of the application. All requested attachments must be received before a permit will be issued; delays in providing supplemental information may hinder the process and our ability to approve your application in a timely manner.

TOMP understands weather limitations to filming/photographing dates and will make every effort to accommodate the need for a date change on this permit. Fees are non-refundable.

Low-Impact Filming: \$100 permit fee
Location Fee for Town-Owned Property: \$100/day

High-Impact Filming: \$250 permit fee
Location Fee for Town-Owned Property: \$500/day

COMPENSATION FOR TOWN STAFFING

Depending on the size and scope of the production, TOMP may require personnel including Police and/or Fire and/or Public Services to work the event. All Town personnel involved during the day(s) of production will be charged back to the organizing agency. The Town shall determine the number necessary to ensure the safety of participants, minimize the inconvenience to our residents and reduce the public liability exposure to the organizing agency, as well as the Town.

EVENT PRIORITY

Previously scheduled Town of Mount Pleasant events and contracted rentals of Town facilities have priority in use of Town property (*permit typically not required with facility rental unless event will impact areas outside of the contracted rental space*). Special Event Permit applications are processed in order of receipt in accordance with considerations the Town Administrator uses in deciding on the issuance of a permit.

NON-DISCRIMINATION STATEMENT

The Town of Mount Pleasant does not discriminate on the basis of race, color, national origin, sex, religion, disability status or age in provision of services.
